POST EVENT REPORT

Name of the Event : Root Zone Irrigation
Name of the Committee : National Service Scheme
Date : 05.02.2018

Objectives

The driving force that creates the natural movement of water from soil to plant and atmosphere is based on the free-energy gradient of the water. This gradient can be equivalent to hundreds of pounds of pressure and causes plants to lose water to the atmosphere.

Outcomes

Root Zone irrigation technique is an imperative strategy of water conservation and, from the last decade, is mostly adopted for horticultural, agronomical, and tree species to increase water productivity in crop plants in water scarce areas.

Report:

On Behalf of National Service Scheme of Sri Rangapopathi College of Education on 05.02.2018 as per University order ref No latter No. 1504/2017-3, Dated 27.12.2017 from additional secretary to Government, there was an implementation of Water conserving Root Zone Irrigation Technique for planting trees was taught and demonstrated by our college faculty.

Tiruvannamalai.

Respected Sir,

I would like to inform you that our college National Service Scheme is going to organize an awareness programme on Tree Plantation on 22.04.2018.

For this awareness drive we need your help in providing us 100 saplings and also to visit our campus as Chief Guest for this programme. During this drive several members from our society will participate in planting these saplings. This will also help in growing of more trees around the society.

Therefore, I kindly request you to consider our need of 100 saplings. These will be needed at the earliest due to shortage of time for the upcoming event.

I hope that you will be able to provide saplings to our college.

Post Event Report

Name of the Event : World Earth Day
Name of the Committee : National Service Scheme
Date : 22.04.2018

Objectives

- To create green belt and avenues for meeting aesthetic recreational needs to the people.
- To reduce temperature and increase humidity
- To promote road development as eco friendly activity.

Outcomes

- Trees give off oxygen that we need to breathe. Trees reduce the amount of storm water runoff, which reduces erosion and pollution in our waterways and may reduce the effects of flooding.

Report:

I was 22.04.2018 Sri Rangapopathi College of Education organized program to plant 100 saplings and young trees to celebrate the happy new year with a unique idea. The objective of this event was to teach students, how we can save our climate from pollution. This was a great initiative to make our atmosphere neat and clean. By tree plantation, we can develop a climate ecosystem free of green house gases to reduce global warming.

Students and faculty members were asked to reach 9'0 clock. The program started with prayers Tree Plantation programme was started with welcome address by Principal Dr.G.Govindharajan, followed by the Presidential address given by Mr.R.P.Sripathi, Secretary & Correspondent. Plants were provided by the R.P RO Water Company.

Name of the Club : National Service Scheme
Name of the Event : Voters' Awareness Campaign
Name of the Organizer : E.Senthilkumar
Date : 23.03.2018

Objectives

- To creating awareness among the people/public/voter regarding the importance of the three tier local electoral system.
- To enhance people's participation in the voting system create awareness to select effective people centric leaders.
- To ensure smooth implementation/execution of our planned activities.
- To get pre-election commitment from contesting candidates.

Outcomes:

Ensuring regular elections Ensuring free and fair elections as well as making people aware of the importance of good leadership. Checking the uncontested elections which is absolutely undemocratic Ensuring empowerment of women.

Report

In democracy, it is not simply enough to inform voters about election dates. In order to help the electorates take an informed decision, it is quiet essential to sensitize them about the importance of participating in the electoral process. Moreover, voters need to be educated.

About the process and made Aware of the political parties, backgrounds of the contesting candidates and armed with several other information to help them cast an 'enlightened' vote.

To sensitize the voters about the importance of participation in an electoral process and to ensure a responsive, accountable and democratically elected Government of India has decided to celebrate 25th January as 'National Voters' Day' every year.

Voters Awareness Campaign

In this context, National Service Scheme (NSS) Unit of Sri Rangapoopathi College of Education, organizes a Voters Awareness Campaign on 23 March 2018. The campaign emphasized the importance of voting.

The event was flag god off by Dr.G.Govindharajan, Principal who with other faculty members and enthusiastic students made the event a grand success. Students under the guidance of faculty members prepared slogans and posters on voting and marched from SRP to Alampoondi carrying those colorful placards. The volunteers of the Campaign encouraged the youngsters to vote in order to build a responsible government.

The volunteers of the Campaign encouraged the youngsters to vote

Students also joined other groups, urging people not to waste their votes and telling how the public play an important role in elections. Students displayed placards with motivational statements such as "Your vote is your right, your voice and don't be a quitter, be a voter to insist 100% polling during the campaign.

The students commented that it is necessary to make the electorates aware of their voting rights; something that is of immense significance in 'strengthening the democracy and building a healthier nation'.
