Respected Sir,

I would like to inform you that our college National Service Scheme is going to organize an awareness programme on Tree Plantation on 03.09.2019.

For this awareness drive we need your help in providing us 100 saplings and also to visit our campus as Chief Guest for this programme. During this drive several members from our society will participate in planting these saplings. This will also help in growing of more trees around the society.

Therefore, I kindly request you to consider our need of 100 saplings. These will be needed at the earliest due to shortage of time for the upcoming event.

I hope that you will be able to provide saplings to our college.

Post Event Report

Name of the Event : World Earth Day
Name of the Committee : National Service Scheme
Date : 03.09.2019

Objectives

- To create green belt and avenues for meeting aesthetic recreational needs to the people.
- To reduce temperature and increase humidity
- To promote road development as eco friendly activity.

Outcomes

- Trees give off oxygen that we need to breathe. Trees reduce the amount of storm water runoff, which reduces erosion and pollution in our waterways and may reduce the effects of flooding.

Report:

I was 03.09.2019 Sri Rangapoopathi College of Education organized program to plant 100 saplings and young trees to celebrate the happy new year with a unique idea. The objective of this event was to teach students, how we can save our climate from pollution. This was a great initiative to make our atmosphere neat and clean. By tree plantation, we can develop a climate ecosystem free of green house gases to reduce global warming.

Students and faculty members were asked to reach 8'0 clock. The program started with prayers Tree Plantation programme was started with welcome address by Principal
