Name of the Club	: National Service Scheme
Name of the Event	: Voters' Awareness Campaign
Name of the Organizer	: E.Senthilkumar
Date	: 08.01.2022

Objectives

- To creating awareness among the people/public/voter regarding the importance of the three tier local electoral system.
- To enhance people's participation in the voting system create awareness to select effective people centric leaders.
- To ensure smooth implementation/execution of our planned activities.
- To get pre-election commitment from contesting candidates.

Outcomes:

Ensuring regular elections Ensuring free and fair elections as well as making people aware of the importance of good leadership. Check the uncontested elections which are absolutely undemocratic Ensuring empowerment of women.

Report

In democracy, it is not simply enough to inform voters about election dates. In order to help the electorates take an informed decision, it is quiet essential to sensitize them about the importance of participating in the electoral process. Moreover, voters need to be educated.

About the process and made Aware of the political parties, backgrounds of the contesting candidates and armed with several other information to help them cast an 'enlightened' vote.

To sensitize the voters about the importance of participation in an electoral process and to ensure a responsive, accountable and democratically elected Government of India has decided to celebrate 25th January as 'National Voters' Day' every year.

In this context, National Service Scheme (NSS) Unit of Sri Rangapoopathi College of Education organizes a Voters Awareness Campaign on 08 January 2022. The campaign emphasized the importance of voting.

The event was flag god off by Dr.G.Govindharajan, Principal who with other faculty members and enthusiastic students made the event a grand success. Students under the guidance of faculty members prepared slogans and posters on voting and marched from SRP to Alampoondi carrying those colorful placards. The volunteers of the Campaign encouraged the youngsters to vote in order to build a responsible government.

The volunteers of the Campaign encouraged the youngsters to vote

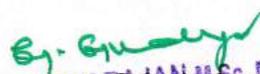

Students also joined other groups, urging people not to waste their votes and telling how the public play an important role in elections. Students displayed placards with motivational statements such as "Your vote is your right, your voice and don't be a quitter, be a voter to insist 100% polling during the campaign.

The students commented that it is necessary to make the electorates aware of their voting rights; something that is of immense significance in 'strengthening the democracy and building a healthier nation'.

Post Event Report

Name of the Event : National De worming Day

Date : 10.02.2022

Name of the committee : National Service Scheme

Objectives

- To summarize the effects of public health programmes to regularly treat all children with de-worming drugs on child growth, hemoglobin, cognition, school attendance, school performance, physical fitness, and mortality.

Outcomes

- Intestinal worms can have serious implications on a person's health. But the good news is that treatment through oral medication is simple and fully effective. Maintain personal hygiene and avoid open defecation. If you have children keep an eye out for symptoms and talk to your doctor for the best advice.

Beneficiaries

- Students from Sri Rangapoopathi College Of Education,
- People from Alampoondi Village

Report

National De worming Day celebrated in our college campus on 10.02.2022. On behalf of National De worming Day our National Service Scheme distributed to our student teachers Albendazole tablets.

Albendazole tablet for de worming is cost-effective and effective medication to control worm infections in children. National De Worming Day has been focusing on to lessen the threat of parasitic worm infections among children.

In his speech he insisted food safety and food hygiene are important as they ensure that the food you handle and produce is safe for consumption. If food safety and hygiene are not maintained, consumers could become seriously ill with food poisoning and food borne illness.

Therefore, food safety and food hygiene are of the utmost importance to protect the health of consumers. And it was followed by the active interaction of the student teachers. The twilight of the session was ended with the vote of thanks given by Mrs.S.Nirmala, Coordinator, Citizen Consumer Club, Villupuram.

POST EVENT REPORT

Name of the Club : Red Ribbon Club
Name of the Event : "Celebrating Life"
Name of the Organizer : R.Senthilkumaran
RRC Coordinator
Date : 20.12.2021

Objectives:

- The main objective of the programme is to disseminate the awareness against AIDS.

Outcome:

- The student teachers understand the seriousness of HIV disease and protection measures.

Report:

Red Ribbon Club Organized seminars "Celebration Life" in collaboration with Tamil Nadu State AIDS control society on 20.12.2021 at Abdul kalam Auditorium. Thiru RP.sripathi, secretary and correspondent, Sri Rangapoopathi Educational Trust, presided over the function. Dr.G.Govindharajan, principal, Sri Rangapoopathi College of Education honored the chief guest and welcomed the gathering.

The chief guest gave a special address on "Celebrating Life". He explained elaborately about the causes and effects of AIDS. The prevention is better than cure. The above adage is highlighted by him with the preventive measure of AIDS. The number of AIDS patients' ratio has been reduced to the minimum level which deliberately showcases the efforts taken by our Government. Student teachers are the real stalwart who can change the future generation. Hence, these types of programmes are organized for student teachers and people of Alampoondi Village.
